### NAMES

**Aarts C:** When patients ask about exercise machines. 142, 143, 148, AW87, c  
**Adashi EY:** Folliculogenesis—what role for peptide growth factors? 161, Apr, oa  
**Alman EJ:** Seeking sources of premature ovarian failure. 58, Feb, oa  
**Alexander D:** Spermicide causes lawsuits, but no injuries? 223, Jan, c  
**Anderson GD:** Systematic approach to eclampsia convulsion. 65, Mar, oa  
**Antuaco T:** Magnetic resonance imaging in obstetrics and gynecology. 48, Jan, oa  
**Arnon N:** Sites, magnets, action: obtaining an MRI unit. 95, Jan, c  
**Asch R:** 1986 AFS report. 180, Jan, c  
**Bachmann GA:** Sexual repercussions of aging. 61, AW87, oa  
**Bagshaw KD:** Gestational trophoblastic disease: an update. 199, Jan, s  
**Bailey L:** Lee Bailey has faith technology will save us. 151, Jun, c  
**Baker RR:** Breast Ca treatment: reasons for optimism. 63, 65, Jun, c  
**Baldau RJ:** 1986 AFS report. 178, Jan, c  
**Ballard R:** Malpractice update. 223, Jan, mu  
Malpractice update. 179, Feb, oa  
Malpractice update. 202, Apr, mu  
Malpractice update. 203, May, mu  
Malpractice update. 151, Jun, mu  
**Balmaceda J:** Gyn applications of LH-RH analogs. 99, Jun, oa  
**Baquero IO:** Good reasons for surgery in older patients. 153, Mar, oa  
**Bader JL:** Breast Ca treatment: reasons for optimism. 58, Jun, c  
**Barber J:** Armed forces may not tell spouses about AIDS. 151, Jun, c  
**Barman MR:** Scanning MRI for ob-gyn applications. 109, Feb, oa  
Sites, magnets, action: obtaining an MRI unit. 102, Jan, oa  
**Baumwell SH:** C/S pros and cons. 15, Mar, oa  
**Bayer SR:** 1986 AFS report. 179, Jan, c  
**Beall MH:** Breastfeeding: some drug admonitions. 49, Feb, oa

**Bergeron C:** Disposable vs. metal screening instruments. Authors' reply. 19, Feb, et  
**Bowenoid papilloma is intraepithelial hyperplasia.** 27, Jun, oa  
**Bernardino ME:** Scanning MRI for ob-gyn applications. 117, Feb, c  
**Blackwell RE:** Planning medical therapy for procalcitoninomas. 137, Jan, oa  
**Blesco L:** 1986 AFS report. 176, Jan, c  
**Boesel RR:** Where is the deviation? Authors' reply. 22, Apr, et  
**Bond MB:** Hazards for men in the workplace. Author's reply. 26, Jan, et  
**Booth JD:** 1986 AFS report. 180, Jan, c  
**Borrero J:** Gyn applications of LH-RH analogs. 99, Jun, oa  
**Brent R:** Spermicide causes lawsuits, but no injuries? 227, Jan, c  
**Burnhill MS:** Sorting out the major vaginal infections. 47, Apr, oa  
**Buscema J:** Reducing mortality from respiratory papillomas. 65, Apr, oa  
**Castadot M-J:** Managing condylomas in the male partner. 44, Jan, oa  
**Cates W Jr:** 1986 AFS report. 174, Jan, c  
**Chase NE:** Sites, magnets, action: obtaining an MRI unit. 88, 92, 95, Jan, c  
**Chasnoff IJ:** Perinatal effects of cocaine. 163, May, oa  
**Chazotte C:** Drug use selection for latent-phase labor. 73, Mar, oa  
**Chervenak FA:** Sonographic detection of fetal neural axis anomalies. 87, Mar, oa  
**Chez RA:** If you suspect a patient is a victim of abuse. 132, Jun, s  
**Clapp JF III:** When patients ask about exercise machines. 148, 152, AW87, c  
**Clarke D:** When patients ask about exercise machines. 142, 152, AW87, c  
**Clyman B:** When patients ask about exercise machines. 143, 147, AW87, c  
**Coddington CC:** 1986 AFS report. 180, Jan, c  
**Cohen MD:** Sites, magnets, action: obtaining an MRI unit. 95, Jan, c  
**Cohen WR:** Drug use selection for latent-phase labor. 73, Mar, oa  
**Connell EB:** 1986 AFS report. 179, Jan, c  
**Cooper KH:** Exercise and cardiovascular health: 12 vital questions. 125, AW87, s  
**Corson SL:** 1986 AFS report. 179, Jan, c  
**Coustan DR:** Is insulin necessary for gestational diabetes? 35, Jun, oa  
**Davison IS:** Medicolegal perils of AIDS. 203, May, c  
**DeCherney AH:** 1986 AFS report. 176, Jan, c  
**Delahunt JM:** When patients ask about exercise machines. 142, 152, AW87, c  
**Demas B:** Scanning MRI for ob-gyn applications. 114, Feb, c  
**Dembo AJ:** Gestational trophoblastic disease: an update. 199, Jan, s  
**DePetrillo AD:** Gestational trophoblastic disease: an update. 199, Jan, s  
**Diamond M:** 1986 AFS report. 180, Jan, c  
**Dimarchi JM:** New problem—persistent ectopic pregnancy. 37, Jan, oa  
**Dische S:** When tumors resist radiotherapy. 183, Jan, oa  
**Douglas PS:** Exercise and cardiovascular health: 12 vital questions. 125, AW87, s  
**Duff P:** Diagnosing and treating post-C/S endometriomas. 129, Mar, oa  
**Eisenberg E:** Diethylstilbestrol's effect on fertility. 35, May, oa  
**Enders LJ:** Analyzing formaldehyde's effect on reproduction. 79, Feb, oa  
**Esposito C:** If you suspect a patient is a victim of abuse. 132, Jun, s  
**Fagnant FJ:** Uncovering and correcting septic pelvic thrombophlebitis. 129, Feb, oa  
**Fayez JA:** 1986 AFS report. 179, Jan, c  
**Ferenczy A:** Disposable vs. metal screening instruments. Authors' reply. 19, Feb, et  
Is hysterectomy indicated for endometrial hyperplasia? Authors' reply. 25, Jan, et  
**Findlay PA:** Breast Ca treatment: reasons for optimism. 58, Jun, c  
**Fisher B:** Breast Ca treatment: reasons for optimism. 55, 66, Jun, c  
**Forrest JD:** American women—a sexual profile. 75, AW87, oa  
**Freeman RK:** Managing pregnancy in patients over 35. 180, May, s  
**Gahres EE:** Malpractice relief: the Virginia model. 11, Apr, c  
**Gall SA:** PID: best new routes to diagnosis and treatment. 156, Feb, s  
**Garcia JA:** Scanning MRI for ob-gyn applications. 121, Feb, c  
**Garite TJ:** Managing a reactive-positive CST. 28, Apr, efm  
Mixed accelerations accompanying PROM. 30, Jan, efm  
**Gates E:** Ethical dilemmas of infertility. 170, Mar, s  
**Geifand MM:** Is hysterectomy indicated for endometrial hyperplasia? Authors' reply. 25, Jan, et  
**Gent KD:** Sites, magnets, action: obtaining an MRI unit. 84, 95, Jan, c  
**Gibson WP:** Monitoring BP and ECG during epidural analgesia. Author's reply. 26, Jan, et  
**Golbus MS:** Sampling chorionic villi. 14, Apr, pr  
**Goldfarb AF:** What your patients need today. 12, AW87, oa  
**Goldstein PR:** Futuristic notions. 28, Jan, et  
**Golub LJ:** Exercise that alleviates primary dysmenorrhea. 51, May, oa  
**Goodlin RC:** How efficient is the IU catheter? 16, Feb, et  
Where is the deviation? 22, Apr, et  
**Grimes DA:** How to offer advice on avoiding STDs. 25, AW87, oa  
**Hager WD:** Ob-gyn infections: bacterial causes and antibiotic choices. 121, May, oa  
Try medication for tubo-ovarian abscess. 145, Feb, oa  
**Haney AF:** 1986 AFS report. 179, Jan, c  
**Hasselton FP:** Scanning MRI for ob-gyn applications. 122, Feb, oa  
**Heinrichs WL:** Scanning MRI for ob-gyn applications. 122, Feb, oa  
**Heintz APM:** What causes ovarian cancer? 25, Mar, oa  
**Henderson C:** Breast Ca treatment: reasons for optimism. 57, Jun, c  
**Herbst AL:** Update on DES exposure. 29, Feb, oa  
**Hilgers RD:** Improving the outcome of high-risk gestational trophoblastic neoplasia. 73, May, oa  
**Hillard PA:** If you suspect a patient is a victim of abuse. 132, Jun, s  
**Hillman AL:** Sites, magnets, action: obtaining an MRI unit. 85, 98, Jan, c

Managing pregnancy in patients over 35. 180, May, s

Refining gestational diabetes criteria. 201, Feb, ni

#### PREGNANCY, ECTOPIC

Diethylstilbestrol's effect on fertility. 46, May, oa

Losing the battle and winning the war on ectopics. 9, Jan, ed

New problem—persistent ectopic pregnancy. 37, Jan, oa

1986 AFS report. 176, Jan, oa

Scanning MRI for ob-gyn applications. 121, Feb, oa

Ectopic pregnancies in Finland triple. 188, Jun, ni

#### PREGNANCY, PROLONGED

Postdate pregnancies—weighing alternatives. 12, Mar, pr

#### PREMATURE RUPTURE OF MEMBRANES (see MEMBRANES, PREMATURE RUPTURE)

#### PREMENSTRUAL SYNDROME

Positive approach to PMS. 41, AW87, oa

#### PREMATURAL CARE

Advice in pregnancy: Gain weight! 208, Apr, ni

How to help patients breastfeed successfully. 86, AW87, oa

Is prenatal neglect a criminal act? 223, Jan, mu

Judge dismisses fetal abuse charges. 209, May, mu

When patients ask about exercise machines. 148, AW87, oa

#### PRENTAL DIAGNOSIS

Clinical management of twins. 135, Apr, oa

Determine cord position in malpresentation. 112, Apr, oa

Managing pregnancy in patients over 35. 186, May, s

Predicting fetal sex. 16, May, et

Sampling chorionic villi. 14, Apr, pr

#### PREOPERATIVE CARE

Good reasons for surgery in older patients.

157, Mar, oa

When hysterectomy is chosen for the mentally retarded. 160, May, oa

#### PROBABILITY

What influences breast cancer risk? 91, Apr, oa

#### PROFESSIONAL COMPETENCE

New laws on medical discipline. 208, Mar, mu

How the legal system interprets medical science. 87, Jun, oa

#### PROFESSIONAL IMPAIRMENT

Disciplining of three Tennessee physicians.

202, Apr, mu

#### PROFESSIONAL REVIEW ORGANIZATIONS

Disciplining of three Tennessee physicians.

202, Apr, mu

#### PROGESTATIONAL AGENTS

ERT—whom to treat and how. 184, Apr, s

Is hysterectomy indicated for endometrial hyperplasia? 25, Jan, et

1986 AFS report. 173, Jan, oa

227, Mar, ni

To use progestin or not. 13, Feb, et

Progesterone dosage—the easy way to adjust.

Which birth control pill should be prescribed—today? 113, Mar, oa

#### PROGESTERONE

Measuring hormones in saliva after IVF. 222, May, ni

Nonmetastatic GTD: a curable disease. 61, May, oa

#### RADIOTHERAPY

Breast Ca treatment: reasons for optimism. 55, Jun, oa

When tumors resist radiotherapy. 183, Jan, oa

#### REAGENT KITS, DIAGNOSTIC

Patient care 1999: feeling right at home. 9, May, ed

#### RECORDS

If you suspect a patient is a victim of abuse. 146, Jun, s

New laws on medical discipline. 208, Mar, mu

Plaintiff's physician may testify for the defense. 200, Mar, mu

Provider sued for withholding records. 158, Jun, mu

#### REFERRED AND CONSULTATION

How many doctors are liable on a referral? 200, Mar, mu

#### REPRODUCTION

Analyzing formaldehyde's effect on reproduction. 79, Feb, oa

Ethical dilemmas of infertility. 170, 184, Mar, s

Hazards for men in the workplace. 25, Jan, et

Role of cervical mucus in reproduction. 94, May, oa

Update on DES exposure. 40, Feb, oa

#### RESIDENCY, MEDICAL EDUCATION

One choice that's still clear. 9, Jun, ed

#### RESPIRATORY DISTRESS SYNDROME

Glucocorticoids for lung maturation in pre-eclampsia. 148, 152, Apr, oa

#### RESPIRATORY TRACT DISEASES

Reducing mortality from respiratory papillomas. 65, Apr, oa

#### RITODRINE

Clinical management of twins. 135, Apr, oa

Drug use selection for latent-phase labor. 74, Mar, oa

Ritodrine's value for preterm labor questioned. 246, Jan, ni

#### ROLE

What patients need today. 13, AW87, oa

#### RUBELLA

New Hampshire mother can sue for wrong birth. 155, Jun, oa

#### SAFETY (see EQUIPMENT SAFETY)

#### SALIVA

Measuring hormones in saliva after IVF. 222, May, ni

#### SALPINGECTOMY

New problem—persistent ectopic pregnancy. 38, 43, Jan, oa

#### SALPINGITIS

Ob-gyn infections: bacterial causes and antibiotic choices. 126, May, oa

PID: best new routes to diagnosis and treatment. 156, Feb, s

Try medication for tubo-ovarian abscess. 145, Feb, oa

#### SELF CARE

Patient care 1999: feeling right at home. 9, May, ed

#### SELF-EXAMINATION, BREAST

Breast self-exam. 16, Mar, et

What you should know about breast pathology. 99, 106, Feb, oa

#### SEmen

New ways to prepare semen for IUI. 79, Apr, oa

#### SEX BEHAVIOR

American women—a sexual profile. 75, AW87, oa
